

Andover Town Council

To **approve** the members of the Script Review Working Group (WG).

Item
No.

17c

Produced for: Full Council

By: Town Clerk

Date of Report: 13 Feb 2024

Background:

The Policy and Resources Committee considered an [agenda paper](#) on 31st January.

It had been suggested that a Working Group be set up to review the scripts prepared by the Andover College Students working with Councillor J Hughes on the mockumentary project.

The suggestion had been made to give some members of council oversight of the content of the videos before filming took place. If any content was thought unsuitable, then students would have opportunity to make changes before filming commenced. Filming had been due to start on Monday 19th February.

It was resolved that a Working Group be set up, but that members and Terms of Reference would need to be approved by Council at the next Full Council meeting on 21st February.
