Proposal:

To purchase a gazebo or gazebos with Andover Town Council branding for use at events to increase Andover Town Council's presence.

Considerations:

Andover Town Council has never had a gazebo with branding. It is proposed that if purchased they would help increase Andover Town Council's presence at events and could be used when needed as an information tent in the Town Centre.

The Council could purchase one 3m x 3m, one 6m x 3m or two 3m x 3m with guttering to join the two to create one 6m x 3m. Having the two 3m x 3m would give a greater degree of flexibility but will be more expensive.

	Branded side walls per side	3m x 3m (branded valances)	Cost of 3m x 3m Without branding	Guttering to join gazebos/gutter	2 x 3m x 3m	6m x 3m	Cost per leg weight 13kg
