

# Andover Town Council

To **consider** making a contribution to the Funfair at the 2024 Christmas festival.

Item  
No.  
**21**

**Produced for:** Full Council

**By:** Town Clerk

**Date of Report:** 12 Jun 2024

## Background:

The preparations for the Christmas Festival are already progressing. There have been conversations regarding the usual funfair which charges for children's rides, may make the rides inaccessible to many families struggling with the cost-of-living crisis.

## Proposals:

To **approve** that the Town Council contribute £ X towards the funfair cost to enable either:

- a. a lower cost to be charged
- b. to allow the rides to be free of charge.

(current costs pending from TVBC)

## Considerations:

- How to identify families that should benefit.
- Should there be no criteria and all residents benefit.
