

# Andover Town Council

To **consider** the parking issue at Saxon Heights and agree on action / costs.

Item No. **10**

**Produced for:** Allotments Committee

**By:** Town Clerk.

**Date of Report:** 10 Jul 2024

## Background:

The Warden for Saxon Heights has advised that residents are often parking in the allotment tenants parking spaces leaving nowhere for tenants to park when visiting their plots.

Some residents have become abusive when asked verbally not to use the Council's parking spaces.

## Proposals:

1. To **decide** on how best to label the parking spaces as solely for allotment holder use.
  - a. Installing signs
  - b. Tarmac marking / painting
  - c. Other options.
2. To **approve** actions for the Town Clerk and/or Allotment Officer.
3. To **approve** a cost limit for a solution.

## Considerations:

- Safety of children / tenants using the allotments
- Good neighbour relations.

## Map of land owned by the Council.
