

Andover Town Council

To **approve** the organisation of a “Best Harvest” Competition.

Item
No.
12

Produced for: Allotments Committee

By: Town Clerk.

Date of Report: 11 Jul 2024

Background:

The Scarecrow Competition has not been very well supported this year or last year.

Officers would like to create a new competition which may be more appealing for the more traditional allotment gardeners.

The new competition could be arranged as a short show/exhibition in a suitable local community building in September.

The event can be used for positive publicity of the amount of allotment plots the Council manage, but also the benefit that the sites bring to the Town’s Residents.

Proposals:

To approve that Officers organise a “Best Harvest” event in September.

Considerations:

- Cost – not budgeted for, but could be achieved quite economically.
