

Andover Town Council

To **note** End of Grant Reports.
To **report** on how the money has benefitted the local community.

Item No.

10

Produced for:
C&E Committee

By:
Communications and Events Manager

Date of Report:
5 Feb 2025

Background:

When grant money is awarded through Andover Town Council's grant funding scheme it is a condition of the grant that feedback is given to Andover Town Council. This allows members to measure the success and effectiveness the money has had on the wider community. It also allows Andover Town Council to remain open and transparent with the use of grant funding and could encourage other Charities and Organisations to apply and benefit from Andover Town Council's Grant scheme.

Spend Reports included:

- **1. Unity - Midas Training**
- **2. Bringing Andover Together CIC - Test Valley Young Entrepreneurs Contest**
- **3. A-Fest Andover CIC - A-Fest 2024**
- **4. More Education - Koala Hub office furniture**
- **5. Spotlight UK - Bowling sessions**
- **6. Andover Community Engage - Weekend Provision**

Conclusion:

The Communications and Events Manager will continue to work with successful applicants to give feedback to the members and public on how the funding has been spent. Failure to provide Andover Town Council with grant spending reports will negatively impact any future grant applications.
