Dear Sir/Madam

NOTICE OF APPLICATION - TOWN & COUNTRY PLANNING ACT 1990

APPLICATION NUMBER: 25/02687/CLPN
PROPOSAL: Application for a lawful development certificate for proposed single storey rear extension, front porch, canopy, and side door
SITE: 151 New Street, Andover, Hampshire, SP10 1DT

As you were either notified originally of this application or have made representations about it, I am now informing you that further proposals have been received which amend the application in the following way:-

Addition of canopy and side door to description as part of application.

You may inspect the amendments to this application on the Council's website at <http://view-applications.testvalley.gov.uk/online-applications/> To ensure that they are taken into consideration, any further comments which you may wish to make must be received in writing before 21 January 2026.

In order to assist with the efficient processing of applications, it would be helpful if you were able to respond well within this timescale and, in particular, if you could let me know if this amendment overcomes a previous objection. I would stress, however, that unless you make it known that your previous comments have changed they will continue to be taken into account.

All comments will of course be open to public inspection and available for copying under the provisions of the Access to Information Act.

Yours faithfully
