

A-Fest 2022

This was the first physical event post-Covid, and so took quite a lot of extra admin in terms of ensuring safety of everyone involved.

We were delighted to welcome back quite a few of our usual stalls and organisations, and add some new ones in as well, including CAS, InAndover, Andover Radio, The Artroom, Coaching in the Community. We also had local food vans, a funfair, stage with a range of local singers, dancers, and groups, stalls selling sweets, crafts and facepainting.

The event attracted over 3,500 people on the day, and was a great success, thank you to Andover Town Council for your support allowing us to continue this wonderful event.
