Allotments Committee

By: Allotment Officer

Date of Report: 27th March 2025

Background:

The main contact at Icknield School has retired and the new contact is not able to continue maintaining the plot.

Portway Infants School are very keen to take part and work alongside Icknield School with a view to possible takeover.

The Drove Allotment Association are happy for that to take place.

Considerations:

- To **review** the allotment request and instruct Officers how to proceed.
- To **instruct** Officers to add Portway Infant School as a joint tenant on the same terms as Icknield School – for educational purposes.
