Item
No.

17a

To: Full Council

From: Town Clerk / RFO

Date of Report: 1 July 2025

Background:

In March 2025, Council resolved:

- To adopt a performance matrix to report our progress against the adopted [Andover Town Council Business Plan 2025-27 \(C410/03/25\)](#); and
- that the performance matrix be reported and published against the business plan quarterly ([C411/03/25](#)).

Advice:

The Council's performance against adopted performance indicators in quarter 1, from 1 April to 30 June 2025 is set out at **Annex A**.

Members should be aware that, as this is the first time reporting progress against the Business Plan, progress in quarter 1 2025 sets a baseline from which to monitor future performance reports.

The adopted Business Plan commits the Council to regularly report to our residents and taxpayers on how we are doing against each action between now and 2027.
