Andover Town Council

To **review** an allotment request at Barlows Lane.
To **instruct** Officers on how to proceed.

Item No.

6

Produced for: Allotments Committee	**By:** Allotment Officer	**Date of Report:** 4 September 2026

Request from plot holder at Barlows Lane on 6 August 2026:

"I wonder if this could be run through the council at the next meeting. As you may or may not know the allotments are full of the dreaded bind weed. To date I have been bagging and taking to the tip as it's not suitable for composting. To combat this I wondered if plot holders purchased a green TVBC bin and paid the annual fee for emptying by TVBC whether plot holders could just put the bin at the bottom of their plots and TVBC could come through and empty the bins?? All expenses paid by said plot holder, all the town council have to do is allow access? This could help plot holders tidy plots. Some green waste can be composted . This could prevent bonfires. Just an idea No cost to ATC."

Recommendation:

To **review** an allotment request at Barlows Lane.
To **instruct** Officers on how to proceed.
