The proposal thereby is contrary to Policies E1 and E9 of the Test Valley Borough Revised Local Plan DPD and Section 72 of the Planning (Listed Buildings and Conservation Areas) Act (1990).

Appendix C: SIDs

C

Produced for: Planning Committee

By: Committee Officer
and Deputy Clerk.

Date of Report: 13/09/2023

Summary of Key Issues

- To receive and review requests for additional locations for SID placements.

Background:

Additional SID locations for Vigo Road and River Way were discussed at the Planning meeting of 29 August 2023.

Vigo Road: It was agreed that the suggested sites on Vigo Road were to be objected to, on the grounds that the sites would not allow for sufficient forward visibility, in accordance with the Hampshire Highways SID Policy and Guidance. Alternative sites further along Vigo Road are to be investigated.

River Way: It was agreed that the first site would be suitable, however, a site further away from the school would be preferable, to allow for the required forward visibility distance.

Additional positions for consideration:

Picket Piece: Whilst the issue of the hedge around LC33 is being resolved, the maintenance contractor has recommended two alternative sites as below:

1st link: <https://maps.app.goo.gl/E2z44xVq2T8aZGu57>

There would be a need to install a post towards the rear of the footway just to the west, between the next two properties along. Which would need permission, installation and would incur further cost.

Further consideration is that the SID would need to have a vertical clearance of 2.1m, so the side of the sign may be visible from the two properties that may not be welcomed.

Permission would be needed for the SID Operator to park in the wide access to the west or the access opposite.

2nd link: <https://maps.app.goo.gl/LeKKvkmSD43cC1dJA>

The vertical clearance now, is 2.3m below the bus stop flag, so an extension post would be required as it's adjacent to a footway.

Meanwhile, Picket Piece has been temporarily removed from the rota until the situation is resolved.

This is an urgent matter as the Walworth Road entrance into Picket Piece is the most accident-prone end with a high level of Health and Safety risk to pedestrians, particularly due to no provision of a footpath where the school children await the school bus.

Anton Road: A request has been received from a Member of the Public, to consider a location in Anton Road, after a vehicle crash and the proximity to the junior school.

Potential locations have been indicated on the attached maps for Vigo Road and River Way.

The Avenue: A request has been received to which Officers are currently awaiting a response, as to the required location along The Avenue.

Potential locations have been indicated on the attached maps for Picket Piece and Anton Road.

Limitations for locations are:

- Speed limit must be 40 mph or under for any location considered.
- Single lane for any location considered.

- Consideration in terms of light pollution needs to be taken for any private dwellings nearby any proposed location.
- SID forward visibility – 20mph speed limit is a minimum of 60m, 30mph speed limit is a minimum of 90m and 40mph is a minimum of 120m.
- The site must be inside the speed limit and the SID is not to be placed upon the entry sign to the speed limit.

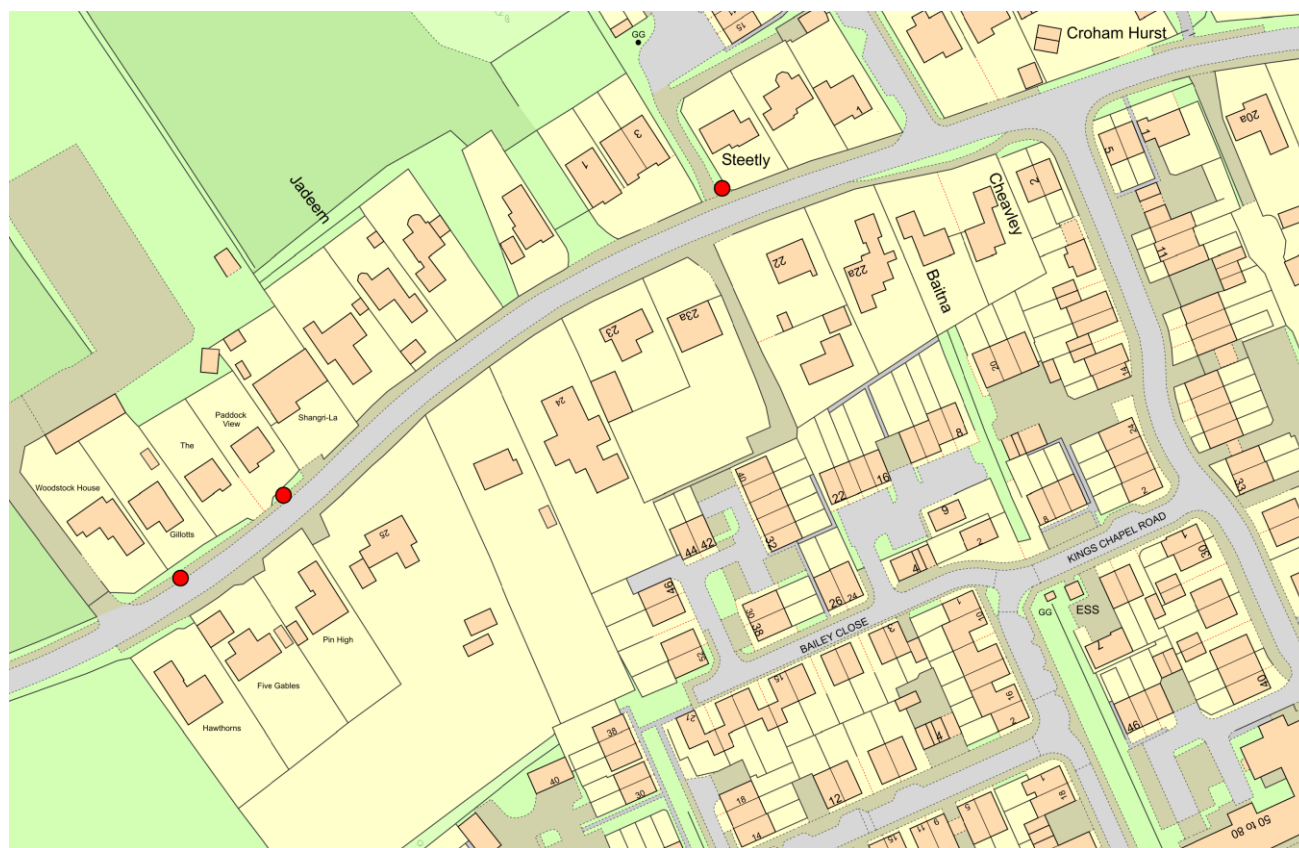

Legal and Policy Implications

- **Andover Town Council has the power to purchase and install traffic calming measures.**

Recommendations

- **To receive and note the report.**
- **To advise Officers on next best steps for the Picket Piece and Anton Road locations.**

Duffield, Lindsey <LDuffield@testvalley.gov.uk

Test Valley District Payphone removal proposal/s

Good morning

BT has notified us (email below), as the Local Planning Authority, that they are proposing to remove 2 public payphones from within the Borough.

The attached spreadsheet identifies those payphones, which in summary are within the following parishes/wards:

Andover Town (Harroway)

Andover Town (Romans)

Smannell

The letter explains that we have until the 28th November 2023 to notify BT of any comments. It also outlines the procedure if communities want to adopt a red box (for £1.00). They can also adopt modern glass boxes if they want to house a defibrillator. Visit bt.com/adopt for more information

A notice has been placed in each identified phone box by BT.

If we do not hear from you by the 21st November 2023, we will assume you have no comments to make and will put “agree” in the consultation response column.

I would be grateful if you could send any comments to planning@testvalley.gov.uk

Kind regards

We plan to remove payphones in your area. You can make representations for 90 days, which ends on 28 November 2023

Dear Chief Planning Officer,

We've identified **2** public payphones in your area that are no longer needed. We've assessed these using the criteria in Ofcom's [Review of the telephony universal service obligation](#). I've attached the list of payphones that we're planning to remove.

To make sure that the local community are fully informed, we've placed notices (including the posting date) on these payphones. I've attached a sample copy.

Communities can 'adopt' phone boxes to turn into something completely different

With payphone usage falling, communities are looking at new ways of using them. Thousands of boxes have been reinvented as cafes, mini-libraries, and defibrillator sites. Communities can adopt most red boxes for just £1.

They can also adopt modern glass boxes if they want to house a defibrillator. Visit bt.com/adopt for more information

You can make representations in the next 90 days until 28 November 2023

We'll take account of representations you make about our plans when we're making our final decision. We'll also write to with you the reasons for our decision (we'll also publish the reasons on www.bt.com/payphones/service).

If you've got any questions or want to make representations, please email us at btp.authorisation.team@bt.com.

Thanks,

The BT payphones team

Notice date:

We're planning to remove this payphone

Unfortunately, it just isn't used enough for us to carry on running it.

If you think it should stay, please contact your local authority within 90 days of the date on this notice.

TEST VALLEY - Application for a Sex Shop Licence - My Amazing Fantasy, 2 The Broadway, Andover SP10 2JF

Dear all

I have received an application from Mr XXXXXX (on behalf of AF Southern Ltd) for a (renewal of a) Sex Shop Licence in respect of existing licensed premises at 2 The Broadway, Andover SP10 2JF. The application seeks a renewal of the existing licence with opening hours of 1000 to 2000 hours Monday to Saturday and 1000 to 1800 hours Sunday. If objections are received the application will be determined at a future meeting of the Licensing Committee but if no objections are received the application will be granted under delegated powers. Comments may be submitted no later than 28 September 2023.

The grounds for refusing a licence (aside from the applicant being deemed unsuitable) are that "the grant or renewal of the licence would be inappropriate having regard; (i) to the character of the relevant locality; or (ii) to the use to which any premises in the vicinity are put; or (iii) to the layout, character or condition of the premises in respect of which the application is made" i.e. objections based upon moral or other similar grounds cannot be accepted. You will not receive a copy of the application but if you have any queries please contact me.

Thank you

Michael White
