ANDOVER TOWN (ST MARYS)	22/03325/ADV N	22.12.2022	Externally illuminated fascia sign, externally illuminated projecting sign and externally illuminated sign over entrance doors - 42-44, High Street, Andover	REFUSE	15.02.2023	SEE BELOW

01. The proposed externally illuminated fascia sign, externally illuminated projecting sign and externally illuminated sign located in a prominent position with multiple public views would be unduly visually prominent and dominating in the street scene and would not be sympathetic to the traditional character of the locality of this historic town centre by virtue of its scale and vibrant colours. It would harm the amenity and historic character of the area by virtue of its brightly coloured imagery, and prominent location which would detract from the character and

appearance of the area by virtue of its stark, bright appearance which would sit in contrast with the muted and traditional appearance of the historic High Street in which it would be situated. The proposed advertisement would also detract from the historic and listed buildings in the vicinity, particularly the Grade II* Guildhall with which it would be directly seen. As such, it would harm their setting, and the character and appearance of the Andover Conservation Area. The proposed advertisement would therefore not have due regard to Part 2(a) of Regulation 3 of the Town and Country Planning (Control of Advertisements) (England) Regulations 2007, paragraph 136 of the NPPF 2021, and would be contrary to the Andover Conservation Area Appraisal and Management Plan 2021 and to the Shop Front Design Guide.

Hampshire County Council new draft Guidance on Planning Obligations and Infrastructure Guidance – Public Consultation

The County Council has for many years negotiated and secured financial contributions, and other planning obligations, from developers in relation to new development across Hampshire. Funding has been secured towards new and improved infrastructure such as schools, transport, Household Waste Recycling Centres and libraries.

To make sure we are doing this in a consistent and transparent way, the County Council has compiled this draft Guidance setting out the infrastructure and associated financial contribution requirements for the County's key service areas.

The draft Guidance also includes information such as when the County Council would expect to secure land, buildings and contributions in kind, the section 106 process and associated fees, monitoring and reporting, and an overview of the pre-application process.

The document can be found here on our website: [Draft Guidance on Planning Obligations and Infrastructure](#)

We are undertaking a six-week public consultation exercise between 17 February and 31 March 2023 and would welcome your comments. Please send your comments to spatial.planning@hants.gov.uk.

Director of Hampshire 2050
Gary Westbrook

If you have any questions about the Guidance, or would like the opportunity to discuss it further, please do not hesitate to contact me using the details at the top of this letter.

Yours sincerely
