01. The proposal would be located in a position where views would be readily available from multiple locations within the immediate area. The scale is considered to dominate the principal elevation of the property to the point where the symmetry which contributes positively to the dwelling is eroded. The proposed development also lacks subservience to its host and is considered out of scale, protruding forward of the principal elevation which would result in the breaking of the existing building line. This protrusion is also considered to result in a built form which juxtaposes awkwardly against its host. There are also no extensions of this scale in this location on any buildings within the immediate area, and as such the resultant development would look incongruous within the street scene. As such, the proposal is not considered to integrate, complement or respect the character of the area in which the development would be located, contrary to Policy COM2 and E1 of the Test Valley Borough Revised Local Plan (2016).

Subject: Hampshire Minerals and Waste Plan Partial Update - Draft Plan Consultation 8 November 2022 to 31 January 2023

Dear Sir/Madam,

Hampshire County Council and its partner Authorities, Southampton City Council, Portsmouth City Council, New Forest National Park Authority and South Downs National Park Authority – are working to produce a partial update to the Hampshire Minerals and Waste Plan up until 2040.

The partial update to the Plan will build upon the currently adopted Hampshire Minerals and Waste Plan (2013), with an updated evidence base on how much minerals the area needs and how much waste it produces, now and up to 2040. Strategic sites are proposed to help meet the need for mineral and waste infrastructure, as well as updated policies on how and where this infrastructure should be delivered. The vision and the policies have also been updated in line with changes to national and local policy, in particular the increased importance of addressing climate change.

The Hampshire Authorities will be inviting comments from consultees and communities on the Draft Plan. The Draft Plan Consultation will begin on **8 November 2022** and will run for 12 weeks, until **31 January 2023**.

Please visit our website for further information where you can view the consultation documents and supporting evidence and respond to the consultation with any comments you may wish to make:

<https://www.hants.gov.uk/minerals-waste-update>

This includes details of all consultation events that have been organised near proposed sites which you may wish to attend. Local events will start from 10 November, so please check details to ensure you are able to attend your chosen event.

Comments can be submitted via our website <https://www.hants.gov.uk/minerals-waste-update>, via email to hmwp.consult@hants.gov.uk or by post to Minerals and Waste Planning Policy, EII Court West, 1st Floor, The Castle, Winchester, Hampshire, SO23 8UD.

Should you have any queries or require any documents in an alternative format, please do not hesitate to contact a member of the Minerals and Waste Planning Policy team via 01962 846746 or hmwp.consult@hants.gov.uk.

Yours faithfully,

Appendix D: Consultation – Statement of Community Involvement in Planning (SCI) 2022

D

From: Planning Policy <planningpolicy@testvalley.gov.uk>

Sent: 11 November 2022 13:18

Subject: Statement of Community Involvement in Planning (SCI) 2022 Public Consultation

Dear Sir/Madam,

Statement of Community Involvement in Planning (SCI) 2022

Test Valley Borough Council has published for public participation its draft Statement of Community Involvement in Planning (SCI) 2022 and is inviting representations between Friday 11 November and Friday 16 December. The purpose of the SCI is to set out the consultation measures that the Council will undertake when consulting on planning policy documents and publicising planning applications.

We are repeating the public consultation process as we became aware that not all consultees received notification of the original consultation. Representations made on the SCI received during the original consultation do not need to be resubmitted. They will be retained and considered in finalising the document.

The SCI complements the Council's broader commitment contained within its Corporate Plan with regards to promoting positive community engagement with local communities, businesses and interest groups. The preparation of an SCI is a legal requirement and once adopted, the Council needs to be consistent with its content.

The Council's current SCI 2017 will reach its five year anniversary of adoption at the end of 2022, a review has been undertaken and an updated draft SCI published for public consultation. The SCI will apply the whole of Test Valley, outside of the New Forest National Park.

A copy of the draft SCI document, is available on the Council's website <https://www.testvalley.gov.uk/planning-and-building/planningpolicy/draft-statement-of-community-involvement-in-planning-sci-2022> and is available for public inspection at the following Council offices between the hours of 08.30 and 17.00 Monday to Thursday and 16.30 on Friday:

- Beech Hurst, Weyhill Road, ANDOVER, Hampshire, SP10 3AJ, and
- Former Magistrates Court, Church Street, ROMSEY, Hampshire, SO51 8AQ

A hard copy is also available for public inspection during library opening times at local libraries at Andover, Romsey, North Baddesley, Chandler's Ford and Lordshill.

Representations can be made by either:

- Sent in writing to Planning Policy and Economic Development Service, Test Valley Borough Council, Beech Hurst, Weyhill Road, ANDOVER, Hampshire, SP10 3AJ; or
- Emailed to planningpolicy@testvalley.gov.uk

Only those representations that are made in writing to arrive at the address specified above (either hard copy or electronically) within the 5 week period from Friday 11 November 2022 and ending 12noon Friday 16 December 2022 will have the right to have their representations considered. Any representations should specify the matters to which they relate and the grounds on which they are made. Representations will be available for public inspection with personal information redacted.

Further information can be obtained from the Planning Policy and Economic Development Service on 01264 368000 or email planningpolicy@testvalley.gov.uk

Appendix D: Proposal to create an additional 1 form of entry at Winton Community Academy, Andover

Pre-Planning Drop-in Event – Proposal to create an additional 1 form of entry at Winton Community Academy, Andover

Hampshire County Council would like to hear your views about the proposal to submit a planning application to create additional capacity at Winton Community Academy

We would therefore like to invite you to a drop-in session on Wednesday 23 November in the John Morgan Studio Theatre (accessed via the community gate) at Winton Community Academy, Andover between 4pm and 7pm.

View the Proposed Site Plan: <https://documents.hants.gov.uk/consultation/P13066-HCC-proposed-site-plan.pdf>

Winton Community Academy has a current capacity of 900 students serving a large area of Test Valley. This proposal is to provide additional accommodation to expand the school to 1,050 places to provide sufficient school places in the Andover area for pupils wanting a place at one of the Andover secondary schools.

If you would like to comment on the proposals, please write to Martin Shefferd, Strategic Development Officer, Children's Services Department, The Castle, Winchester, Hampshire, SO23 8UG or by email to: strategicplanningunit@hants.gov.uk by Friday 9 December.
