PC 339/19 Street Trees

Members considered the formation of a Street Trees Working Group and proposed Terms of Reference.

It was commented that members of the Working Group needed to be approved by Committee and have some expertise in the subject. In view of this it was recommended that the Terms of Reference, Point a and the last sentence be amended.

It was proposed by Councillor C Ecclestone and seconded by D Coole that the Terms of Reference be amended to read:

- a. Composition. Any Member, Officer and non-Cllr interested in getting involved, may be invited to join the Working Group. The Planning Committee will approve and appoint Councillors and Non-Councillors, who have expertise, onto the Working Group. The Working Group will appoint a Lead Member.
- b. To identify highways within the Parish of Andover that would benefit from the addition of trees.
- c. To liaise with other Local Authorities and landowners regarding the requirements, permissions, processes, etc. needed to install the street trees.
- d. To recommend to the Planning Committee:
 - (1) Costed proposals for individual highways, tree locations, tree types, purchase, application processes, installation and maintenance.
 - (2) Funding options for individual highway projects.

(3) Motion (Proposed by Cllr D Coole, Seconded by Cllr C Ecclestone):

"That this Planning Committee approves:

The formation of the Street Trees Working Group and the proposed Terms of Reference.

Cllrs D Coole and C Ecclestone (and any other volunteer on the night) be the initial Working Group Members.

Members of the Working Group will appoint a Lead Member for the Street Trees Working Group."

A recorded vote was as follows:

There were no communications received from Hampshire County Council.

PC 347/19 Street Trading Licences

Members considered a new Street Trading Licence application:

- Bayram Bilgic – The Breakfast Van, Smannell Road

Committee Comment: Objection

- **Concern relating to excessive hours**
- **Occupation of the layby which would alienate the proper usage of the layby**
- **It would be considered to be targeting school children in the area**
- **Absence of toilet facilities**
- **It is unclear as to how the refuse is to be dealt with.**

Members considered a Street Trading Licence application for an adjustment to existing trading times:

- Resul Koksai – Burger Van, Smannell Road

Committee Comment: Objection

- **Concerns relating to excessive hours**

Members requested that Officers request confirmation that the two applications are not associated with each other, from Test Valley Borough Council.

It was proposed by Councillor D Coole and seconded by Councillor R Meyer that the meeting be extended beyond the two-hour point by twenty minutes.

A recorded vote was as follows:

COUNCILLOR	FOR	AGAINST	ABSTENTION

Subject: Rights of Way

I wanted to give you the full background before sending this email.

TVBC inform me you have the parish responsibilities for rights of way. On behalf of Andover Ramblers and Hampshire County Council we are seeking Andover Town Council agreement on a matter concerning rights of way.

Under the Countryside Act 1968 s 27, HCC have a duty to waymark rights of way where they meet a metalled road. The advantages of such a law in a rural area are obvious. Without such waymarking many people would no know a right of way exists. However, the statute sets no time limit on this duty and it is recognised that this means that some paths remain unsigned. HCC and Ramblers success in generally waymarking to meet the act has been very good.

However, for some urban paths the need to waymark them is questionable. They are mainly tarmacked and it is obvious they are for use by the public. They are identical to footways which require no waymarking. Often there right of way status is simply a carry-over from before developments have taken place. Also, HCC have difficulty in placing waymark posts at the site. They are tarmacked or paved and utility lines can run close to the surface. A good example of such a right of way is the western end of Union Street where it meets the high street.

The Act allows HCC to be relieved of this responsibility if it considers a sign unnecessary and if the local parish council agrees, which is why we are seeking your agreement. The rights of way we are seeking agreement to are 7, 9, 10A, 24, 25, 30A, 30B, 31A, 31B, 32, 33, 34B, 35, 36A, 38A, 38B, 38C, 38D, 49, 50, 60, 63A, 63B, 66, 69, 501 (see attached map). Of course, if there is a convenient lamppost/telegraph post/traffic sign/barrier etc where the right of way meets the road a waymark will still be put up.

If you do not agree to the proposal, HCC are likely to revert to the 'no time limit' clause. You may therefore wonder why we are bothering and why Andover Ramblers are involved. It is because we undertake a Best Value Performance Indicator (BVPI) inspection/audit of HCC regarding their duties over rights of way maintenance. This is a national standard that they are judged against. A proliferation of rights of way in an urban area can skew the results markedly and give a completely false picture regarding the HCC performance. We would much rather they spent their time clearing path obstructions and repairing rights of way furniture (stiles/gates/bridges etc) than erecting signs that are not needed.

Could I ask you please to put this proposal before Andover Town Council and seek their agreement to it? Perhaps you could let me know when the Council is likely to consider it. If you have any queries, please do not hesitate to contact me.

Yours Sincerely

Footpath Secretary
Andover Ramblers
