Date of Report: 1 May 2026

Update:

A Working Group meeting was kindly organised by officers but unfortunately was not quorate (with only Cllrs Gregori and J Hughes present). The way ahead discussed was that the YWEG should continue.

Cllr Gregori subsequently consulted the two other members, Cllrs Goodwin and Horsnell, who agreed to take this line.

We have not been able to meet since then, but have been collecting relevant information, in particular needs analysis and grants distributed for youth. This has not progressed as quickly as desirable as TVBC information although promised has failed to materialise.
