C135/02/23	EXTERNAL REPORTS
	<p>County Councillor D Drew's update report for February 2023 was emailed to all Andover Town Councillors on 8 February 2023. Highlights of the report were:</p> <ul style="list-style-type: none"> • Hampshire County Council (HCC) sets out £2.6 billion spending plans for local services amid difficult economic times in 2023/2024. • HCC is reminding residents about its 'Chat About Scheme', that aims to help people to connect with others to alleviate loneliness and improve wellbeing. • With effect from 1 February 2023, the 1921 census becomes available in all HCC libraries and the record Office in Winchester. HCC has arranged for free access for residents to delve into history. • HCC's leader, Councillor Rob Humby has awarded £67,800.00 in one-off grants to five organisations across Eat Hampshire, Winchester, Test Valley and Fleet. This will support local organisations to help provide life-enriching opportunities to residents, through learning, creative expression or by being physically active. • HCC have begun investigations into how the recommendations from the Task and Finish Group and the introduction of 20mph zones in Hampshire, can be delivered. It is hoped that proposals for a new policy can be brought to the cabinet in June/July 2023.

C136/02/23	CO-OPTION OF NEW MEMBER FOR HARROWAY WARD
	<p>Members noted there was one nomination for a Mr Mark Farron, for Co-option as a new Member for the Harroway Ward.</p> <p>Mr Farron gave the following speech on his reasons for his application. <i>The notes below are a precis of statements/questions. They are not recorded word for word.</i></p> <p>“I wish to be co-opted to this Parish Council. To be on a Parish Council is not to be a politician, nor is it to pursue personal goals. It is simply to represent people of our wards and to speak out for the people who have no voice in this arena. It goes without saying that Councillors need to collaborate, communicate and be inclusive with each other and equally importantly, with the hard-working staff. If I’m scrutinising the Borough, each other and ourselves, it’s to identify equality and work towards addressing this where we can and pushing it higher when we cannot. Essentially though, it is to listen. Nobody can doubt that I’ve got scrutiny locked down. I also regularly voice the thoughts of the people who I listen to and there are many of them. I’m not an expert. I have opinions and would always refer to a specialist. My way is not the way. Just simply an option. Grants policy, allotments, public engagements with meetings, recording the events put on by the BID. These are all things this Council should be doing much better at. Doing so without much needed credibility. Although time is short, these are areas where I could add value. When debating Co-option last November, it was said that this could provide an opportunity for somebody new, who might be considering standing in May. To gain an insight and experience in what being a Councillor involves. I meet the requirements mentioned during the proposal. I am most certainly new and have never been a Councillor before. I am indeed considering standing in May and would of course benefit from the experience of being on the inside, rather than simply standing outside and looking through the window. My attendance record isn’t bad either. Despite this being my pitch, this isn’t about me. It is more about the people of the Harroway Ward. A ward where I have many friends, family members and of course, critics. It is about what is best for them. Residents I have spoken to on the Harroway Ward, speak of a lack of community centres, the low quality of the roads, the not feeling safe on the streets and sadly all too often that the various Councils are doing nothing to address these issues. I see poor cooperation between Town and Borough Councillors, indeed the many Borough Councillors I have spoken with, make the same observation. Many see me as somebody they can achieve things with, which in turn make lives of residents better and raise the profile of this body. I could well be the only candidate who meets the mentioned requirements, given my objective is to work on behalf of the residents and to represent them. I would respectfully request that you put party politics and personal agenda aside and vote for me to join the Andover Town Council. Thank you.”</p> <p>The Town Mayor thanked Mr Farron and welcomed any questions from Members of the Council.</p> <p>Councillor R Hughes: I noticed on your webpage; your email address is Councillor Mark Farron. You are not a Councillor, why do you use it?</p> <p>Mr Farron’s response: Personal choice.</p>

It was proposed by Councillor S Waue and seconded by Councillor R Rowles that Mr Mark Farron be co-opted in as a Member of the Andover Town Council, for the Harroway Ward.

Members went to a debate.

A recorded vote was requested by Councillor L Gregori.

C138/02/23 ANDOVER TOWN COUNCILLORS REPORTS

The notes below are a precis of statements/questions. They are not recorded word for word.

Councillor N Long:

On Monday I was invited to go to Harmony Woods by Andover Trees United. They were given a tree by a local landscaper, Kieron Beattie. This tree had been used previously at the Chelsea Flower Show and they decided to plant this large popular at the entrance to Harmony Wood, in memory of Barbara.

Councillor J Sangster:

I have had good conversations with Taylor Wimpey

Listening to residents of Roman Way, Augusta Park area with issues that I could raise with

	<p>Councillor S Waue: Since Christmas, I have been liaising with Hampshire Police and Councillor I Anderson over the feasibility of installing a knife amnesty bin. Somewhere in or near the town centre. Whilst the cost of the bin itself is minimal, it would necessitate the allocation of police resources to ensure it was emptied regularly. It was decided that this would not be a worth while adventure, as the number of knives received from Test Valley as a Borough operation sector last year, was just thirty.</p> <p>There is currently an issue with delivery drivers parking in the disabled spaces outside New Street McDonalds and blocking the zebra crossing and exit road from the petrol station, causing safety issues in the area. Myself, Councillor Anderson and Test Valley Borough Council (TVBC) Planning Officers are engaging with the landowner to try and find a solution before an accident happens. Especially with the increased traffic that the new Costa will bring when it opens.</p> <p>I have also submitted a revised layout for Enham Arch roundabout to Councillor Kirsty North, in an effort to improve traffic flow and reduce the number of near misses that are a near daily occurrence. She has passed this onto the Highways team and will provide feedback.</p> <p>I have also been in contact with Councillor Nick Adams King regarding grit reserves, which are plentiful for Hampshire, thanks to them tripling their capacity in the past ten years. Also the resurfacing of footpaths in Shepherds Spring Lane and along the back of Wicks and onto Anton Lakes. Its in dire need with tree roots causing issues for wheelchairs and mobility users. I've also asked if it could be widened in places to better accommodate cyclists and pedestrians. I'm awaiting confirmation of the date for the resurfacing work but the widening work is not currently budgeted for. This could perhaps be debated later to use our rather substantial CIL monies for.</p>
