

RISK MANAGEMENT SCHEME

It is acknowledged that are different types of risk present which affect the council's ability to perform its objectives. In accordance with the Governance and Accountability for smaller authorities in England, and the Practitioners Guide dated March 2022, the council have set out a scheme for the management of all risk.

1. **IDENTIFICATION.** - Risks that have been identified for the Council are:

| Loss or theft of money or income |
|---|
| Fraud, theft |
| Damage to property |
| Breaking the law or being sued |
| Failure of IT system or mis-use |
| Any action that could be taken which would harm the authority's public reputation |
| |

2. ASSESSING THE RISK. - A matrix is used to identify assess the risk. All our risk assessment templates use the below methodology.

| | | Hazard Severity (Impact) | | Likelihood of Occurrence (Odds) | |
|---|-----------|--|---|---------------------------------|---|
| 1 | Nil | Trivial or insignificant harm to persons, property or business | 1 | Not | There is no real likelihood of it occurring. |
| | | activities | | likely | |
| 2 | Slight | Causing minor harm allowing work / activities to continue | 2 | Possible | Possible occurrence, but potential is minimal. |
| 3 | Moderate | More Serious, capable of resulting in 3 or more days off work | 3 | Quite | Incident will only happen if several factors are present. |
| | | for one or more individuals, or property damage resulting in | | Possible | |
| | | a temporary interruption to business activities with some | | | |
| | | financial loss. | | | |
| 4 | High | Possible fatality or serious injury to an individual. Longer | 4 | Likely | Regular incidents occur, but no injury. May result in injury with |
| | | term interruption to business and/or high financial costs. | | | additional factors introduced. |
| 5 | Very High | Multiple fatality and/or destruction to work environment. | 5 | Very | Almost 100% certainty that an incident will occur, or it is a |
| | | Long term or permanent business interruption and/or very | | Likely | common occurrence. |
| | | high financial costs. | | | |

Andover Town Council, Office 108, Incuhive Andover, Chantry House, 38 Chantry Way, Andover Hampshire, SP10 1LS. Email: <u>office@andovertc.co.uk</u> / 01264 335592 / www.andover-tc.gov.uk

A risk factor can be found using the equation, ranging from 1 (no severity and unlikely to happen) to 25 (just waiting to happen with potentially disastrous results). However, it is important to judge both the severity and the likelihood independently. Having identified the numerical risk factor, the 'risk matrix' will help determine the urgency of the action.

RISK ASSESSMENT MATRIX.

| | Hazard Severity | | | | | | | | | | |
|------------|-----------------|----|---------------------------|-----|--------------|--|------|--------------|--|--|--|
| (IMPACT) | | | 1-5 | Low | Tolerable | Little or no action required | | | | | |
| Likelihood | 1 | 2 | 3 | 4 | 5 | | Risk | | | | |
| (ODDS) | 2 | 4 | 4 6 8 10 6-9 Medium Unacc | | Unacceptable | Some action required and monitor during event. | | | | | |
| | 3 6 9 12 15 | | 15 | | Risk | | | | | | |
| | 4 | 8 | 12 | 16 | 20 | 10- | High | Unacceptable | Urgent action required. Stop process. Compensatory measures / new procedures must be | | |
| | 5 | 10 | 15 | 20 | 25 | 25 | Risk | | put in place within 24hrs. Resolving the issue may take longer, but must be in hand. | | |
| | | | | | | | | | (People may need to be removed from the risk whilst it is assessed.) | | |

3. **ADDRESSING THE RISK.** Once a risk has been identified, there are four courses of action that can be followed:

| Tolerate the risk | 1. | Where risk is low or can be contained by a simple contingency plans |
|--------------------|----|---|
| | 2. | Where controls are not proportional to the risk |
| | 3. | Where risk is unavoidable. (Terrorism.) |
| | 4. | Where the activity is important to the community and risk can be accepted |
| Treat the risk | 1. | Introduce controls or procedures |
| | 2. | Delegate to staff |
| | 3. | Implement councillor scrutiny |
| | 4. | Setting up prevention techniques |
| Transfer the risk | 1. | Buying in service from a specialist |
| | 2. | Sub contract |
| | 3. | Take professional advice |
| | 4. | Taking insurance to cover the risk |
| Terminate the risk | 1. | Stopping the activity or not starting where the risk is intolerable. |
